VOLUME VIII, NUMBER 286.

LA CROSSE, WISCONSIN, SATURDAY, APRIL 13, 1912.

PRICE TWO CENTS.

## On The Great White Way

To the lady first correctly guessing the identity of the person of whom the following is a character sketch, and bringing a copy of this paper to The Tribune office, a cash prize of \$1.00 will be given. The subject of the sketch is a prominent citizen of La Crosse. After winning one prize, a contestant will not be eligible to again compete for a period of three months.

The winner of last week's "Guess Who's Here" puzzle was Mrs. N. A. Magnusson, 710 Ferry street, the subject of the sketch being C. S. Van Aken.

## GUESS WHO'S HERE

The eldest son of a pioneer, he grew up as sound as one of the sturdy trees from which his family built a fortune the growth of which was in proportion to the houses built by others. As he grew up, the trees came down, but as long as there are trees he will have his part in the distribution of their product. When he is mentioned politically he is assailed with such terms as "stalwart" or "regular" or "conservative" or "Taft progressive," but you can't hurt his feelings by calling him any name employed to distinguish men from "half-breeds" or "Roosevelt republicans" or any of the other shades and shapes of the radical movement. His political opponents always know "where he's at," and accordingly, respect him while they disagree with him. He hasn't any hobbies, excepting that he likes the really fine things in nature, a fact that makes appropriate his identification with the state's program for the creation and improvement of parks and drives. He has no idea of permitting his well earned leisure to encumber him with avoidable, therefore he assiduously swats the little white ball over the far stretched links, and he is said to his credit he attained considerable proficiency without additions to his vocabulary requiring expurgation when offered for public consumption. It wouldn't be possible to tell, in this brief space, all the business enterprises with which he is identified. Suffice it to say they are numerous, and that they contribute in an important degree to the activities of the community he has seen grow from a sandhill to a city in which he has much pride. He has been, and is prominently identified with civic affairs, and notwithstanding the heavy demands of his personal concerns he has never been known to shirk public duties as they have confronted him. In fact, if he hadn't "been here" a great many other things that are sources of pride and profit to La Crosse would not have "been here." Pick him out, quick! "Everybody's doin' it."

## Morris Tuteur's Mallard Duck

Not everybody is agreed that the story is the best of all the stories that are told on Morris Tuteur by friends of that genial gentleman. For instance, there is the mallard story, or rather, here is the mallard story:

Some friend sent Mr. Tuteur a fowl of the web-footed variety, which a letter said was a fine mallard.

Morris showed it to Harry Taggart who, always having some score to even up with the cigar man, turned up his nose and declared it was no mallard at all, but a Canadian coot, tough as an owl and strong as a fish duck.

Mr. Tuteur looked wise, but hung onto the bird, suspecting his friend

## CAR SCHEDULE IS NOT YET SETTLED

Although the question of midnight street cars was apparently settled by the endorsement of the proposed change in schedule by the city council last night following the agreement of the motormen and conductors with Peter Valler, president of the company, it became known today that the matter has not been finally settled. It must be passed upon by the board of directors of the Street Car company before it goes into effect. The board of directors will hold a meeting the first part of next week, and it is said that the proposed new schedule will be decided upon at that time. Whether there is opposition to the new plan or not could not be learned today, but it is probable that the agreement made by Mr. Valler will be endorsed.

## MILITARY HERO BURIED

WASHINGTON, April 12.—Arlington's hallowed soil this afternoon received the body of Major General Phil Kearney, hero of three wars, taken from its resting place of a score of years at Trinity churchyard, New York.

## SUPERIOR SETTLES WITH LEAGUE TODAY

President John A. Elliott of the Minny league this afternoon received a check for \$147.72 from C. D. SeCheverell, secretary and treasurer of the Superior baseball club, as payment for the release of that city from the league. President J. A. McCuen of Duluth wrote Mr. Elliott asking that that club be granted next Tuesday or Wednesday of next week to purchase their release from the league, at which date they would be able to pay the \$642 that they owe the Minny. Mr. Elliott wired Duluth that this request would be granted, but that their check must be here by Wednesday.

This action on the part of the Minny makes it a certainty that the Minny league will be composed of four clubs and that neither Superior nor Duluth will be in the circuit.

## KEYSTONE STATE FIGHT IS BITTER

Taft and Roosevelt Forces Both Claim a Victory in Pennsylvania Primaries

## WILSON TO SWEEP STATE

Claimed He Is Regarded Almost as a Native Son and Will Win Easily

PHILADELPHIA, April 13.—After the primary voting had been in progress an hour, the Roosevelt leaders reported great success and were enthusiastic. They said that the Taft leaders then privately conceded Roosevelt twenty delegates to the national convention, where, as early in the day they conceded none.

PHILADELPHIA, April 13.—When the primaries opened here this afternoon the machine leaders claimed that the Roosevelt followers would fail to get a single delegate from the city while the Roosevelt men claimed not less than six of the twelve national convention delegates from Philadelphia. The fight which ended with the opening of the polls at 2 o'clock was the most bitter in the state's history and on the result may hang the candidacy of President Taft at Chicago.

## Elect 64 Delegates

Sixty-four of the state's delegates are to be elected today. The remainder of the 76, including the "big four" will be elected at the state convention which meets on May 1. This is due to the fact that today's primaries were held under the old apportionment which gave the state only 32 congressional districts, while under the new representation the state is entitled to 72 district delegates.

Friends of Senator Penrose, who led the fight in the east and Senator Oliver, who led it in the western section of the state claimed that Roosevelt would not have more than twelve delegates in the entire national delegation from the state.

## Wilson to Sweep State

WASHINGTON, April 13.—Presidential campaign bureaus today awaited with intense interest the outcome of the second biggest fight in the pre-convention campaign today in Pennsylvania. While the Taft leaders made no official claims, they are expecting to get fifty delegates. The Roosevelt boomers are making no definite claims but predict another Illinois landslide. Wilson's managers said the New Jersey governor will sweep the state. Managers for Clark say the result will not be binding as the primary law does not provide for instructions and the majority of the delegates have no preference following their names.

## MAY 11 WILL BE ANNUAL TAG DAY

Visiting Nurse Committee Meeting with Mrs. Burton This Morning Fixes the Date

Saturday, May 11, 1912, is THE DAY.

## What day? TAG DAY!

The sub-committee named by the Associated Charities to deal with all matters pertaining to the visiting nurse met at the home of Mrs. George W. Burton, chairman, at 10:30 this morning and formally set the time for raising new funds to support the enterprise.

The report of Marie Peterson, visiting nurse, covering the month of March was read, the record showing 180 cases attended, together with other humanitarian work.

The committee expressed themselves as more than satisfied with the efficacy of the visiting nurse plan as demonstrated by the past year's practical experiences, and members were gratified by the service given by Miss Peterson, who has remained in La Crosse despite three offers of increased salary by other cities.

Tag Day will be in the hands of the sub-committee, which is composed of Mesdames George W. Burton, Friend Suiter, W. R. Finch, Alonzo Chubb and Miss Nettie Sawlewitz. The ladies hope that the receipts of last Tag Day, \$1,400, will be exceeded this year, as the work makes urgent demand for funds.

## PEDDLERS ARRESTED FOR SHORT WEIGHT

ST. PAUL, Minn., April 13.—Two peddlers are now in the toils charged with selling potatoes short weight, and C. C. Neale, state commissioner of weights and measures, has at least two more suspects under close surveillance. This is the beginning of an active campaign by Mr. Neale.

## WOODMEN REFUSE INSURGENTS AID

Appropriation to Fight the New Rates Recently Adopted Is Voted Down

## THE DISCUSSION IS HEATED

State Deputy Keeler Says Insurgents Are Losing Their Grip in Local Camp

The members of Gateway City camp, No. 360, by a vote of 40 to 33, at their meeting last night, refused to send any money to the Minneapolis Woodman assembly with which to fight the new rates adopted at the recent Chicago head camp. The discussion brought up by the insurgents was heated. Judge Leonard Kleeber, W. F. Wolfe and Frank Winter led the fight against the use of the camp's general fund for such purposes, and John Houser and J. B. Murray spoke in favor of aiding the insurgents.

In speaking of the local situation, State Deputy R. F. Keeler said: "A large majority of the members of Gateway City camp while displayed at first with the raise in rates to the extent that was done at Chicago, have found upon investigation that it was necessary to do so in order to save the society. There are a few 'blatant windbags' in the camp who have quarantined themselves against information, who know absolutely nothing of adequacy and permanency, and care less; to whom mortality tables and current cost is all Greek, but who in order to keep themselves prominently before the members must agitate. Of course, these Jaenagogues have a following."

The so-called and self styled 'insurgents' were a long way from being in control of last night's meeting. Deputy Keeler today. "They are fast losing their grip in the local camp as well as elsewhere, and today there are over 500 members of Gateway City camp who are ready to accept the new rates because they are just and a great deal cheaper than reliable insurance can be obtained for anywhere else, and instead of wholesale lapaion occurring in the camp, according to last evening's Tribune, there won't be to exceed two or three temporary suspensions on this month's pass report of 800 members, as stated by Clerk J. D. Wilson last evening after the meeting, and this is a splendid average showing in so large a camp."

Under the new rates the order is safe and the members won't have to indulge in nightmares for fear their beneficiaries would have had the same experience as did the beneficiaries of the members of the Ancient Order of United Workmen. The old men of that order speculated with young men until it was too late and the young men left the order and the old men froze themselves out."

## Insurgents Confident

A member of the insurgent faction who declares he wishes to withhold his name because of a clause in the bylaws which prohibits the telling of the transactions of a meeting, today asserted that a request for a recount of the vote asking for an appropriation from the general fund to be converted to the insurgent cause, was ignored at last night's meeting and that he has reasons to believe that the correct result was not given.

Lack of interest in the organization due to the advanced rates was responsible for the small attendance according to the insurgent who claims that this alone defeated the appropriation.

He declared that the fight will be carried on stronger than ever at the county convention called for next Saturday night at Onalaska at which time Woodmen will be called upon for private donations to be used in the insurgent cause. The purpose of raising funds is to bring suit against the head officers of the Woodmen, who reside in Illinois, to prevent them from raising the rates in accordance with the decision of the delegates to the national convention.

## Tar In Store For 'Joy Riders' Says Pastor

"If you must go joy riding at fifty miles per hour, keep off the Mormon Coulee road," this is the warning given to autoists today by Rev. Henry Andreas, pastor of the German Reformed church.

Rev. Andreas declared that the persons living along the Mormon Coulee road have become so indignant over the high rate of speed of autoists driving in that vicinity that he fears night tar parties and even worse if the practice is continued.

Farmers have become so aroused that they have decided to set signal men to time speeders and gather numbers of offending cars but they refuse to state what action they will take after they have identified the offenders.

Rev. Andreas while driving with his wife last week had a narrow escape from a collision with an automobile.

## MRS. GATTERDAM DIES SUDDENLY

Proinent Club Woman and Active Church Worker Stricken with Peritonitis

## LOSS WILL BE KEENLY FELT

Funeral to Be Held from the Residence Monday Afternoon at 2:30 O'Clock

A short illness covering four days, due to a sudden attack of peritonitis, was responsible for the death early this morning of Mrs. Minnie Gatterdam, prominent club woman and church worker, the wife of Dr. E. A. Gatterdam. The end came at the St. Francis hospital at 6:45.

Little hope was held out for Mrs. Gatterdam's recovery yesterday, and those of her family who were out of the city were summoned to the bedside. Telegrams were sent to a brother at Madison and a son of Dr. and Mrs. Gatterdam, John, who is attending Marquette university.

## Attacked Tuesday

Mrs. Gatterdam was taken with peritonitis Tuesday morning at her home, 208 South Ninth street. Her condition rapidly became so alarming that she was removed later in the day to the St. Francis hospital, and since that time physicians were in almost constant attendance. She was low for the last two days, and death was almost momentarily expected.

Mrs. Gatterdam before her marriage was Miss Minnie Christoffers. Her home was in Madison, where she was born February 20, 1863. Mrs. Gatterdam recently celebrated her forty-ninth birthday. Dr. and Mrs. Gatterdam were married twenty-five years ago last November. A celebration November 10, 1911, marked the silver wedding anniversary.

## Prominent Socially

After her marriage Mrs. Gatterdam came to La Crosse, where she has been prominent socially ever since. Mrs. Gatterdam was a member of the Twentieth Century club, and an active worker in the First Presbyterian church. On account of her interest in church affairs her sudden taking away will be keenly felt in the membership of that institution.

Besides her husband, Mrs. Gatterdam is survived by her mother, Mrs. Henrietta Christoffers; a brother, J. H. Christoffers, London, Wis.; and three sons, John H., Eugene A. Jr., and Paul.

The funeral will be held at 2:30 Monday afternoon from the residence. Rev. D. C. Jones, pastor of the First Presbyterian church, will deliver the funeral address.

## CONKLIN WRITES TO HIS MOTHER

Tells How He and Other Americans Were Prisoners of Mexican Rebels

That the trouble involving Americans in Mexico is over for the present is the opinion of Harry Conklin of Lluvia de Oro, Chihuahua, Mexico, contained in a letter to his mother received here yesterday.

Conklin told of how he and the other Americans had been practically held prisoners for nearly two weeks by the revolutionists under Orozco, who attempted to force them to swear allegiance to Orozco. This the Americans refused to do being American citizens but they declared that they favored Orozco. This alone is said to have saved the Americans from imprisonment.

A force of about 300 revolutionists surrounded Lluvia de Oro but after the declaration of the Americans, no move was made to molest them by the revolutionists. It is thought that the steps taken by the war department in warning Orozco against violence, was largely responsible for the inactivity of the revolutionists.

## U. C. T. MEMORIAL SERVICE

The annual memorial exercises of the United Commercial Travelers will be held at the U. C. T. hall in the Linker building at 3 o'clock tomorrow afternoon according to announcement made today. All who are interested in the memorial exercises are invited to attend. The regular meeting of the U. C. T. will be held at 8 o'clock tonight.

## INCOME TAX TIME IS EXTENDED AGAIN

MADISON, Wis., April 13.—(Special.)—The state tax commission has extended the time for filing income returns throughout the state until April 30. The commissioners will hold conferences with assessors of incomes at various county seats. Commissioner Haugen will be at La Crosse April 23.

## SHOLTS READY TO HELP FISHERMEN

State Game Warden Writes that He Will Work for Proposed Legislation

## TO HOLD A MEETING TONIGHT

Committee Will Report on Closed Season; Market Fishermen to Organize

John A. Sholts, state game warden, is ready to co-operate with the La Crosse County Hunting and Fishing association and will use every endeavor to get a bill passed by the special session of the legislature remedying the defects in the present game and fish laws according to a letter received by President A. T. Rasmussen today. Mr. Sholts declares that he is highly gratified at the action taken by the fishermen of the Mississippi river valley in attempting to secure new legislation and promises that he will work to obtain its enactment.

## Ready to Work For Law

Mr. Sholts' letter to Dr. Rasmussen is given in part as follows: Madison, Wis., April 12. A. T. Rasmussen, president La Crosse County Hunting and Fishing Association.

Dear Sir:

I am informed of the intention of the fishermen along the Mississippi river to work for new legislation by what I read in the La Crosse Tribune and I am in hearty accord with your action. I shall do all I can to help pass the bill at the special session of the legislature. I am much pleased at the awakening of the fishermen of Wisconsin and believe that your proposed legislation is just. I am sorry that I was unable to attend your last meeting and regret that it will be impossible to attend the meeting Saturday night.

Yours very truly,

JOHN A. SHOLTS.

## Meeting Tonight

It is expected that the special meeting of the La Crosse County Hunting and Fishing association which has been called for this evening at the court house will be largely attended because of the fact that the matter of proposed legislation which has been in the hands of a joint committee of commercial and red fishermen for the last week will be taken up at that time. The question of a closed season which has raised a question of conflicting interests on different parts of the river will be settled. It is expected that the commercial fishermen will complete their organization after the meeting. The temporary executive committee of market fishermen has been sending letters to the fishermen in operation in the Mississippi valley from Pepin to Dubuque and it is probable that the new organization will start with a membership of about 500 members.

## SAY CLERK IS LOBBYIST

WASHINGTON, April 13.—Charging that the house committee on expenditures in the interior department employs a clerk who has been "acting as a representative of persons interested in pending legislation," Minority Leader Mann, today demanded that Mrs. Helen Gray be reprimanded and summarily discharged.

## OMAHA HAS BIG FIRE

OMAHA, Neb., April 13.—One of the most valuable blocks of retail property in OMAHA was threatened and damage amounting to nearly \$400,000 was done by a fire which totally destroyed the Ames estate building, South Sixteenth and Farnham streets last night.

## FLOOR COLLAPSES; 20 HURT

PEORIA, Ill., April 13.—A score of students of Bradley Polytechnic institute were injured, 12 seriously, today, when a floor collapsed at the Woolner distillery, throwing fifty young people to the ground. The party was inspecting the fermenting room.

## MESSAGE ON MEAT

WASHINGTON, April 13.—An emergency appropriation of \$1,000,000 was asked of congress by President Taft in a special message this afternoon, the money to be used by the meat inspection service in microscopic investigations to discover evidences of trichinae in the hog flesh.

## BISHOP HAS BIRTHDAY

FOND DU LAC, Wis., April 13.—The Right Rev. Charles T. Grafton, bishop of Fond du Lac, the oldest bishop in the United States, received messages of congratulation from all parts of the country today in honor of his 82nd birthday.

## SNOW IN COLORADO

DURANGO, Colo., April 13.—One of the worst snowstorms of the winter fell last night and this morning throughout the San Juan basin.

## WOULD ABOLISH HEALTH OFFICE

Two Ordinances Offered at Meeting of Council Last Night Hits the Department

## MORE TEST WELLS REFUSED

Engineer's Request Turned Down; Would Tie Up Sinking Fund Surplus

The quarrel between Health Commissioner J. M. Furstman and two members of the common council growing out of an attack on the health department at a recent meeting of the North Side Progressive league made its appearance on schedule time at the regular meeting of the common council last night. The aldermen's answer to Dr. Furstman's "comeback" was in the form of two proposed ordinances which, if passed, will do away with the position of health commissioner entirely. The first which was introduced by Alderman P. W. Mahoney provides for an amendment to the present health ordinance which would allow but one man in the health department at a salary of \$1,500 a year. Under the present law, besides the visiting nurse are in the employ of the department, one getting \$2,500 a year and the other \$1,300.

Alderman William Torrance made a motion to table the proposed ordinance but this motion was lost, 12 to 7. The Mahoney ordinance was referred to the committee on ordinance and finance.

The other ordinance was introduced by Alderman Otto Granke and provides for the repeal of the ordinance creating the health department. His ordinance was referred to the ordinance committee without comment.

## Against More Test Wells

A request from Alvord and Burdick, the engineers who are making an investigation of the underground water supply of La Crosse, that three test wells be dug on Barron island at the lower end of Pettibone park was turned down in accordance with the recommendation of the special water committee to whom the request was made. The question of sinking test wells in Pettibone park started heated discussion among the aldermen, several of them opposing the test wells on the ground of needless expense. Alderman W. P. Roellig declared that a pumping plant on the island would subject city property to a tax in Minnesota.

The city council went on record as favoring the proposed change in the street car service. A proposal that the city withdraw from membership in the Upper Mississippi Improvement association was re-referred to the committee. It is proposed to withdraw on account of the high membership dues. A resolution introduced by Alderman Adam Kroner allowing each Minnesota farmer and his family to cross the Mississippi river wagon bridge for twenty-

## WEATHER

For La Crosse and vicinity: Rain tonight and Sunday; no decided change in temperature.

For Wisconsin and Minnesota: Rain tonight and Sunday; no important change in temperature.

For Iowa: Rain tonight and Sunday; cooler west portion Sunday.

## Weather Notes

The western low has developed into a storm of decided energy and is central this morning in the vicinity of North Platte with a reduced barometer reading of 29.04. Precipitation has occurred in all sections during the past 24 hours except in the upper Mississippi valley and upper lake region. It has been in the nature of local showers and thunder storms east of the Rocky mountains and rain or snow in the rocky mountain region and western states. The precipitation was generally light but heavy rainfall occurred at a few widely separate stations as follows: New Orleans, 1.30; Miami, 1.52; Huron, 1.46; Boise, 1.12; St. Louis, 1.46. Rain is falling this morning in the Missouri, central and lower Mississippi and Ohio valleys, at a few stations along the Atlantic coast and in western Washington and it is snowing in the Rocky mountain region.

The temperature changes have not been marked, as a rule, but it is somewhat cooler west of the storm center. The pressure is highest along the northern border of the country from Lake Superior to northern Maine. The storm will drift slowly eastward and cause rain in this section this afternoon, tonight and probably Sunday with no decided temperature change.

VS HEALTHIf the city council wants to stir up  
more trouble than ever came out of  
a water plant, it may do so by giving  
countenance to the two resolutions  
aimed at the health department in  
the council meeting last evening.We question the good faith of Al-  
derman Granke's resolution. We are  
not reassured by the deep interest he  
takes in the health department  
nor do we regard as disinterested his  
concern over the hasty resignation of  
Bonner, the scavenger. We presume  
it would not be difficult for Dr.  
Furstmann to make his peace with  
Mr. Granke, but we can imagine  
nothing better calculated to destroy  
public confidence in the health de-  
partment than the hoisting of the  
white flag before the attack of Mr.  
Granke.Mr. Mahoney is charged with a de-  
sire to "get even" with Dr. Furst-  
mann. Mr. Mahoney advances econ-  
omy as the ground for his resolution.  
We shall not judge the motives of  
Mr. Mahoney, but we do most seri-  
ously question the soundness of his  
logic. He believes that "good polit-  
ics" demands retrenchments on the  
part of the democrats, but good citi-  
zenship resents penury in relation to  
a matter of so great concern as the  
public health. From the economic  
angle the idea is equally repugnant;  
it is faulty financing.With this scientific health depart-  
ment but a year old, La Crosse had  
a scarlet fever epidemic. The first  
four days produced fourteen cases.  
The health department found the  
common cause, and shut off a milk  
route going to all sections of the city.  
The next week produced three more  
cases, and there the epidemic ended.Kenosha had such a health depart-  
ment as we had two years ago, such  
a department as Mahoney and Gran-  
ke would restore. A scarlet fever  
epidemic started there at about the  
time of the La Crosse epidemic. It  
spread, and there were forty deaths  
and over two hundred cases of the  
disease. In the midst of it, Kenosha  
organized a new scientific health de-  
partment, like ours, and although  
Kenosha is a city of but 21,000, its  
new health department will cost more  
than ours.Inquiry by The Tribune shows  
that a number of the La Crosse cases  
cost in cash \$100 each. But let us  
suppose the average case costs the  
citizen whose family is afflicted \$50.  
And let us strike a balance between  
Kenosha and La Crosse.LA CROSSE

AND THEN SOME!How does the balance sheet look?  
What do our aldermen think Ken-  
osha would give now if it could go  
back before its terrible epidemic and  
establish a health department?But that isn't all. People who  
watched it know, doctors know, that  
this city has won a fight against a  
diphtheria epidemic which, had it  
gained headway, would have cost  
dozens of lives. Any fair minded  
man must give the health depart-  
ment credit for excellent work in  
fighting this dread disease. Time af-  
ter time it took infected children  
from the schools, where they were  
sowing the germs, and by prompt ac-  
tion checked the natural conse-  
quences of that alarming condition.  
And, outside of these two cases,  
there is no doubt that in conserving  
the general health and healthfulness  
of the community the department  
has more than paid for itself.Exactly our health department  
last year cost the city \$6,121. Thehealth department of Wheeling, with  
41,000 people, cost last year the sum  
of \$28,130. Just a difference of  
opinion, that's all. And when men  
talk of economy in health to  
you, don't forget to tell them that  
it is the taxpayer who has sickness  
in his family which a health depart-  
ment would have avoided who pays  
the BIG TAX?Put it this way: Unchecked by a  
scientific health department, La  
Crosse would have duplicated the ex-  
perience of Kenosha. Children by the  
dozens in every ward would have  
had the disease, and every case would  
have cost some taxpayer \$50. Ask  
the seventeen taxpayers who had  
scarlet fever in their families what  
they would pay a year never to have  
it again?By the way, the report of the Ken-  
osha case on file at Madison, we are  
informed, contains the interesting in-  
formation that at the outbreak of  
the epidemic Kenosha was without  
an adequate health department, owing  
to a row in the council, and that  
therefore THE KENOSHA EPIDEM-  
IC WAS DUE TO A POLITICAL  
WRANGLE.GOOD CHANCE FOR  
DARK HORSESIt is among the possibilities, if not  
a probability, that neither the repub-  
lican nor the democratic national  
convention will nominate any man  
now an avowed candidate for the  
presidency.That the republican party will dare  
nominate Taft, even should his ma-  
chine coerce into line a sufficient  
number of delegates, is doubtful. The  
preferential primaries will show the  
impossibility of his election, and it  
would not be surprising if he does not  
come before the convention at all. In  
that case his delegates will not go to  
Roosevelt, and hardly to La Follette  
or any other real progressive.This Taft delegates who might do  
this are the mercenary, office seeking  
southern delegates. La Follette will  
have delegates who will stick to him  
to the end. He has Wisconsin and  
North Dakota; he will have delegates  
from Nebraska, California, Oregon  
and Washington, at least. He will  
possess that balance of power by  
which the progressives may hope to  
name a progressive candidate and  
adopt a progressive program. But  
if that balance of power can get no  
further than the middle of the road,  
there is Hughes, who may become a  
compromise candidate.On the democratic side Bryan is  
the dark horse most likely to win. To  
him would go the Wilson delegates  
and those Clark delegates elected  
under the delusion that Clark is a  
progressive. Gaynor is mentioned, but  
he approximates presidential statu-  
re less closely than even the ef-  
fusive speaker of the house. Under-  
wood, a big man of reactionary ten-  
dencies, is unfortunate in that his  
generation has not been cured of the  
fallacious idea of "geographical im-  
possibilities." Underwood, however,  
would present the election to the re-  
publicans, for a southern reaction-  
ary would have less chance in the  
progressive northern states than

## Onions Cause Quarrel

CHICAGO, April 13.—Louis Rel-  
die has been ordered by Judge Good-  
now to make no more demands of  
his wife to serve onions with his  
dinner. A quarrel over onions caused  
Reidie to desert his family.

## Boy a Savage

CHICAGO.—"The boy is a grow-  
ing savage. The school educates him;  
the home lodges and feeds him. It's  
up to the Sunday school to civilize  
him," says Rev. C. B. Hall, secre-  
tary of the Cook County Sunday  
School association.

## Ban on Hat Dagger

MILWAUKEE.—Mary Swain Wagn-  
er, president of the American Suf-  
ragettes has prepared a bill for the  
legislature to put the ban on the  
protruding hatpin.

## Pocket in Women's Hose

PHILADELPHIA. Arthur M.  
Presmont, a junior in the University  
of Pennsylvania, has patented his  
invention of a pocket in women's  
stockings. He claims it is absolutely  
inaccessible to pickpockets.

## TAXI STRIKE BOMB

PARIS, April 13.—The strike of  
the taxicab chauffeurs advanced  
into the dynamite stage today, when  
a bomb, carefully planted in a taxi-  
cab in the Rue de Licon, wrecked the  
car, injuring the strike breaking  
chauffeur and a number of bystand-  
ers.

## The Yellow Peril

News Item: The govern-  
ment is much concerned over

so, the United States will

## Inconsistency of Man

"Your husband seems to be very  
impatient lately."  
"Yes, he is, very."  
"What is the matter with him?"  
"He is getting tired waiting for a

## A New Brand

Uncle Hiram stroked his throat  
whiskers and watched the big tour-  
ing car as it whizzed past him and  
up the boulevard, emitting a trail of  
bluish smoke from the oil-choked en-  
gine.  
"Huh!" he sniffed. "Them may be  
swell city fellers, but they certainly  
was a-smokin' some darn awful se-  
gars!"—Judge's Library.

## Shared Cake and GUILT

"Thomas," said mother, severely.

## Why He Went

"Henry," demanded a Philadelphia  
mother, "what is the matter with  
your brother Richard?"  
"Mother," responded Henry, "he  
is crying because I'm eating my cake  
and won't give him any."  
"Is his own cake finished?"  
"Yes, ma'am, and he cried while  
I was eating that, too."—Harper's

## Utilizing the Remains

Senator John Sharp Williams of  
Mississippi, says his friend, Private  
John Allen, formerly representing a  
Mississippi district in Congress, seems  
perfectly satisfied to give his atten-  
tion exclusively to his personal affairs  
around Tupelo and has seemingly laid  
aside all political ambition."He mixes a little in local affairs  
for the benefit of his friends," said  
Senator Williams, "and recently made  
one of the shortest and best nominat-  
ing speeches on record.""An old friend of ours, a Confed-  
erate veteran, who lost two legs and  
one arm in battle, wanted a small of-  
fice and asked Allen to nominate him."  
"When the time came, Allen, with  
a voice like a guitar, said: 'Gentle-  
men of the convention, I desire to no-  
minate all that's left or my poor old  
friend, John Smith.' Smith swept the  
convention."—Washington Star.

GEN. C.A. WILSON

PROVIDENCE, R. I.—Charles A.  
Wilson, who has succeeded late Gen-  
eral Charles R. Brayton, the famous  
"blind boss" in republican politics in  
Rhode Island, has assumed the lead-  
ership of the party and has awak-  
ened a new era by carrying out his  
declaration of principles. When he  
first became leader he advised the  
party to pass an anti-lobby measure,  
new tax bills, and a public utility bill  
among other things, and these have  
since formed a dominant factor in the  
party politics. Mr. Wilson is chair-  
man of the state central committee  
and of the executive branch as well.

## SPOTLIGHTS

BEHIND THE SCENES WITH RUTH  
PEEBLESI had intended to persuade Miss  
Peebles to discuss "The Permanent  
Value of Musical Comedy," "The  
Psychology of Applause" or some  
other highbrow topic, but when she  
settled herself cozily in the chintz  
covered chair in her dressing room,  
and asked me whether I didn't think  
the orchids she wore in the first act  
looked real, I forgot all about my  
"interview" and launched into a real  
"schmuss."From a discussion of Service's  
poems of the Yukon country, which  
Miss Peebles greatly admired, the  
conversation swerved to baseball.  
"I've never seen a baseball game,"  
confessed Miss Peebles, "and I've  
never been to a funeral and I've only  
seen one wedding." She forgot base-  
ball long enough to remark that if  
she ever enters matrimony she would  
have to be blindfolded and backed  
into the stall.Then the conversation took a fly-  
ing leap to the suffrage question—  
and stayed there."I don't believe in votes for wom-  
en," declared Miss Peebles as she  
slipped into the brown corduroy suit  
which makes her such a bewitching  
tom boy in the second act of the  
"Heart Breakers." "Women should  
not try to fight with men's weapons.  
Every woman can influence her hus-  
band, brother, sweetheart or son  
without the ballot. A woman once  
said to me: 'Think what influence  
you would have, Miss Peebles, if  
women could vote. You are at the  
head of your companions and when  
election time comes, all the other wo-  
men would be willing to vote for  
the way you did.' 'Oh, yes,' I told her,  
'and then a man would come along  
with big diamonds in his shirt front  
and would take the crowd out for a  
ride in his auto and they'd all vote  
for him.' It seems to me that women  
have enough to do at home. They  
ought to be tending to their little  
children and baking bread."La Crosse theater Sunday, April  
21, matinee and night.

## LEADS IN WORK FOR HOME BETTERMENT

MRS. FRANK DE GARMO

ST. LOUIS, Mo.—It was back in December last that Mrs. Frank De  
Garmo suggested to a small circle of friends the need of a closer affilia-  
tion between mothers in the interest of home development. This little  
beginning has developed until at the recent National Convention of Moth-  
ers here, the Missouri woman made application for membership and pre-  
sented a list of 1,000 members, to their state body. Mrs. De Garmo also  
is working with the United States Bureau of Agriculture in its Good  
Roads Movement. The embryo Missouri branch of the National Congress  
of Mothers is now for the establishment of all public schools as neigh-  
borhood centers, where entire families may meet, evenings for amuse-  
ment and educational purposes. It is Mrs. DeGarmo's idea ultimately  
to have censored moving pictures shown in the schools at night for the  
younger children.It is always the open season for  
killing time.  
The smaller the bribe the greater  
the disgrace.The average woman is much given  
to reflecting—in mirrors.

### NELSON TEAM IS READY FOR WORK

Baseball Squad Will Get Out for First Practice at Copeland Park Tomorrow

The Nelson Clothing company baseball team will start training for the 1912 season tomorrow when the entire squad will get out at Copeland park and all candidates for positions will be given a thorough trial to make the team. The management expects to have one of the fastest teams they ever had, and to secure this result a number of new men have been signed to take the places of several of the players who are not in the city this year.

This team has been one of the strongest nines in La Crosse and their record last year entitles them to be rated as one of the fastest of the amateur teams. They played all the strongest teams in the city as well as going to many of the neighboring towns and they were successful in winning almost all of their games.

One of the places which will be filled by a new man is left field where Dutch Miller, one of the stars of the team, played during 1911. Several men will try out for this place. New pitchers and backstops will be given trials to make good and some likely looking batters men have been signed. However, new men are to be tried out in order to get the best possible team together and the city championship is the goal which they are after.

Tomorrow will be the first time that the team has been together this year. The strongest teams of the city and vicinity will be played by the Nelsons and work on the schedule will be begun soon. A championship team is expected.

A meeting of the team is to be held next week when officers will be elected and plans for the season will be made. The team expects to inaugurate their season within a few weeks.

## A WEALTH OF BEAUTIFUL HAIR

Nothing equals an aureole of beautiful hair as a frame for a pretty face. Without a background of nice hair a really pretty face frequently becomes plain and, with it, unattractive features assume life and beauty.

Every woman can increase her natural charm by using Newbro's Herculide. Herculide makes hair beautiful. The dandruff germ saps the vitality of the hair. Herculide kills this germ and prevents the hair from falling out, giving it a snap and luster, a soft, silky fluffiness which can be acquired in no other way.

## ELECT WIEBRECHT CLASS PRESIDENT

Hill Chosen Captain of the High School Senior Track Team; Choose Class Play

Mr. B. E. McCormick, principal of the high school was in Sparta last night where he judged a debate between the Sparta high school and the Parahoo high school. The commission form of government was discussed.

A meeting of the Booster annual of the high school last night Albert Wiebrecht was elected president of the class and Alvah Hill was elected captain of the class track team.

Arthur Dornbach was elected captain of the advanced junior class. The class track meet promises to be the most successful that has been ever held at the school as much interest is being shown this early in the season.

A meeting of the Booster annual committees of the different classes of the high school was held on Friday afternoon to get instructions in making up the different pages for the banner publication of the high school paper.

The committee in charge of the senior class play has chosen "Tom Pinch" as the play they are to present this year. Miss Fay Vaughn of West Salem has been engaged to coach the play. A tryout for the parts will be held next Thursday.

## SUICIDE VERDICT RETURNED BY JURY

Evidence at Inquest of Green Death Removes All Doubt of Cause of Death

After an hour's deliberation, the jury, empaneled to determine the cause of the death of John William Green, who was found in a dying condition in the wood shed in the rear of his home at 819 St. Andrew street, yesterday morning, returned a verdict of suicide.

After three attempts to kill his wife, yesterday morning Green went to the wood shed where he drank a small bottle of carbolic acid. He was found a few moments later by his wife and a policeman whom she had informed of his attempted murder.

The inquest was called at four o'clock yesterday afternoon. Testimony of his wife, a neighbor and three policemen all showed a clear case of suicide but despite this fact the jury seemed inclined to doubt this cause. The testimony of the druggist who sold Green the carbolic acid Thursday however, made it impossible to bring in any other verdict.

During the course of examination, Mrs. Green displayed several bruises which she alleges were inflicted during the struggle with her husband. Green is said to have held a revolver to her temple and to have pulled the trigger three times, but in each case the cartridges failed to explode. No motive was advanced for his act.

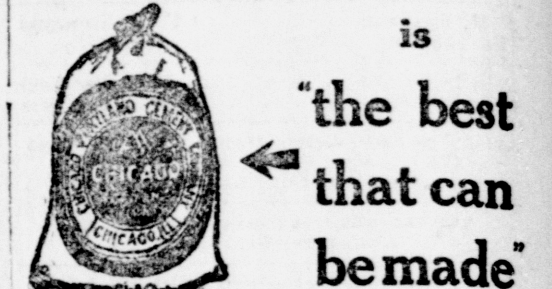

The funeral will be held from the residence, 819 St. Andrew street, at 2 o'clock Monday afternoon. Interment will be made in Oak Grove cemetery.

## SHORT ILLNESS IS FATAL TO WOMAN

Mrs. Robert Hauser, aged 55, 1233 Kane street, died at 8 o'clock last evening. She had been ill since last Saturday.

## WHEAT PIT HAS BAD CROP PANIC

CHICAGO, April 13.—The wheat pit was thrown into an old fashioned crop scare today and there was a panicky scramble among traders. The May future opened at \$1.06½, and in fifteen minutes had jumped to \$1.09½. Half an hour after the opening May wheat was quoted at \$1.08½ and later dropped to \$1.08. Reports of enormous damage to the crop in the ground in winter wheat states in all sections of the country were taken as the basis for the sensational bidding for wheat by the speculators.

## OPERATORS REFUSE TO TURN SWITCHES

NEW RICHMOND, Wis., April  
13.—Trouble is apparently develop-  
ing between the telegraph operators  
employed by the Omaha road at the  
interlocking switch at North Line,  
fifteen miles south of this village.  
The switching plant burned some  
time ago, making it necessary to  
turn the switches by hand until the  
structure could be rebuilt. The tele-  
graphers were ordered to do the  
work, but those on duty at that  
time refused to do so, and others  
were sent to replace them, and they  
also refused to do work outside of  
their regular duties. The operators  
threaten to appeal to their organi-  
zation. They claim that the railway  
strike of 1894 started from a simi-  
lar cause.

The woman had been confined at  
the state hospital for the insane, but  
was recently released.

## THREE AGAINST WILSON

WILSON HEADQUARTERS SAYS  
HE LOST IN ILLINOIS  
BY COALITION OF ALL  
OTHER CANDIDATES

NEW YORK, April 13.—The re-  
sult of the democratic primaries in  
Illinois was "not unexpected," ac-  
cording to a statement issued by  
William F. McCombs, campaign  
manager for Governor Woodrow  
Wilson. All the former Harmon  
and Underwood workers campaign-  
ed against Wilson for Champ Clark.  
He said that for three months  
Speaker Clark has had a perfect or-  
ganization throughout the state  
abundantly supplied with funds.  
The snap primary bill passed only  
a few days ago furnished an oppor-  
tunity to the Hearst-Harrison fac-  
tion to give orders to their workers  
in every precinct in the state to  
bring out the vote for Clark. Wil-  
son's campaign, on the other hand,  
was carried on entirely through  
publicity. There were no Wilson  
workers at the polls. There was no  
money to put them there. He is  
making combinations with no one,  
and is appealing to the people of  
this country for their support.

We may joke about the cook in  
print, but we dare not do it to her  
face.

year to be sarcastic?

### OMAGUA DANCE

The Omagua club gave an Easter  
dancing party yesterday evening in  
the Masonic temple which proved to  
be a highly successful affair. Dancing  
began at 8:30 and continued un-  
til 1 o'clock. A large attendance was  
recorded.

### CLUBS

The La Crosse chapter of the D.  
A. R. was entertained Monday after-  
noon at the home of Mrs. A. U. Jor-  
ris, by Mrs. Jorris and Miss Carrie  
Marsh. There were thirty members  
present, besides several visitors. An  
interesting program was given. Mrs.  
Alice Solberg entertained the Ibsen  
club yesterday afternoon.

### 20TH CENTURY CLUB

The Twentieth Century club was  
entertained at the Y. W. C. A. li-  
brary Tuesday, April 9, by Mrs. A. H.  
Langenbach. English problems and  
society dramas were the topic for the  
afternoon. Mrs. P. J. Yerly conducted  
the lesson, assisted by Mrs. C. F. Em-  
ery, Mrs. B. C. Smith, Mrs. E. E.  
Dow and Mrs. F. G. Cowles.

yesterday afternoon. The hostesses  
received their guests in the reception  
parlor. At 1:30 they were invited into  
the dining room, where an elegant  
six course collation was served from  
tables prettily decorated with pink  
carnations and ferns. It is safe to  
say a larger and more brilliant com-  
pany of ladies never before graced  
this room and their handsome spring

## AWAY GOES CATARRH AND BAD COLDS

Ely's Cream Balm Cures  
Sore Nose and Throat,  
Catarrhal Headaches  
and Colds

No matter how bad your catarrh,  
how much your head aches, or how  
miserable you are with a cold in the  
head, nostrils stopped up, hawking,  
spitting, bad breath, you always get  
immediate relief by using Ely's  
Cream Balm.

Don't let your entire system be  
poisoned by the deadly catarrh germ  
which, sooner or later, causes com-  
plete decay of bone and tissue. The  
continual dropping of the germ in-  
fected discharge down the throat  
leads to catarrh of the stomach and  
bowels.

Get a 50 cent bottle of Ely's Cream  
Balm from your druggist today, and  
you will get relief a few minutes  
after using it. Your headache and  
cold will vanish, and in a short time  
you will be completely rid of catarrh.  
Give it to the children for colds and  
croup. It is perfectly harmless.

## SUFFERED AGONY WITH ITCHING

And Burning. Sores Like Boils All  
Over Body. Parts of Flesh Raw.  
Could Scarcely Bear Clothes On.  
Nearly Worn Out When He Tried  
Cuticura Remedies and Was Cured.

"About four years ago I broke out with  
sores on my arms like boils. After two  
months they were all over my body, some  
coming, and some going away. In about  
six months the boils quit,  
but my arms, neck and  
body broke out with an  
itching, burning rash. It  
would burn and itch, and  
come out in pimples like  
grains of wheat. I was in  
a terrible condition; I could  
not sleep or rest. Parts of  
my flesh were raw, and I  
could scarcely bear my  
clothes on. I could not lie  
in bed in any position and  
rest. In about a year the  
sores extended down to my feet. Then I suf-  
fered agony with the burning, itching sores,  
I could hardly walk and for a long time I  
could not put on socks.

"All this time I was trying everything I  
could hear of, and had the skill of three  
doctors. They said it was eczema. I got no  
benefit from all this. I was nearly worn  
out, and had given up in despair of ever  
being cured when I was advised by a friend  
to try Cuticura Remedies. I purchased  
Cuticura Soap, Ointment, and Resolvent,  
and used exactly as directed. I used the Cuticura  
Remedies constantly for four months, and  
nothing else, and was perfectly cured. It is  
now a year, and I have not had the least  
sign of it since. I am ready to praise the Cuticura  
Remedies at any time." (Signed) E. L. Cate,

## BILL IS NOW UP TO CONSERVE ISLANDS

MADISON, Wis., April 13.—State  
Forester E. M. Griffith is hopeful  
that the Morse bill granting to the  
state of Wisconsin 216 islands in  
northern Wisconsin lakes as addi-  
tions to the state forest reserves  
will pass the United States senate.  
It recently passed the house unani-  
mously. Congressman E. A. Morse  
of Antigo worked four years to se-  
cure its enactment. The islands  
contain about 457 acres, and specu-  
lators have already devastated some  
of them and deprived them of their  
charm. They will make ideal camp-  
ing sites, and the state forestry  
board will lease them for that pur-  
pose. Scores of applications for such  
privileges have come to the board  
as a result of a recent newspaper  
notice. Persons interested in the  
preservation of the islands have  
been asked to urge their senators to  
support the bill.

## MILITARY SCHOOL AT CAMP DOUGLAS

MADISON, Wis., April 13. — Or-  
ders have been issued by the ad-  
jutant general directing that the camp  
and school of instruction for the  
commissioned officers of the Wis-  
consin national guard shall be held  
May 27, 28 and 29, at Camp Dou-  
glas. The school will be divided into  
two classes, the senior division for  
field officers and captains and the  
junior class to be composed of all  
Lieutenants. Captain Edgar T. Col-  
lins, Sixth Infantry, U. S. A., will be  
in charge and will be assisted by  
regular army officers. Conferences  
on the war game, a discussion of  
correspondence school problems,  
tactical walks for a study of the  
actual forms of battle, and the  
preparation of map exercises  
will occupy the officers' time in the  
three days.

## POEHLING'S READY TO MOVE BY JUNE

State Bank Will Remodel Building Before Moving In; Business Section Improved

A big change in the business district of the city will be made this summer when the State bank moves into the building now occupied by the J. J. Poehling company. The Poehling company is now making preparations to move and according to a statement of J. J. Poehling today they will be out of their present location sometime between May 15 and June 1. Plans have already been made by the State bank to remodel the building and when it is ready for their occupancy, probably some time in the latter part of the summer, it will be one of the best equipped places of business in the city. Among other changes it is understood that a corner entrance will be built into the block and many other internal improvements made. Architects have been working on the plans for several months and the work of remodeling will commence as soon as the Poehling company moves out. It may take as much as four months for the contractors to complete their work.

Interviewed today, J. J. Poehling said that although the company had not definitely decided on their new location as yet, they would be ready to move the middle of next month. J. M. Holley, Sr., president of the State bank, said today that he did not know who would move into the building vacated by the bank. On account of the location, however, there is little doubt but that it will be occupied as soon as the bank changes its quarters.

## BORN IN WISCONSIN

MISS ETHEL ROGERS, PLAYING AT THE MAJESTIC THIS WEEK, WAS ONCE DELEGATE HERE

The twelve Navajo girls, the instrumental and singing troupe which closes the bill at the Majestic this week, numbers among its members but one girl who has been in La Crosse before. The lady is Miss Ethel Rogers, a cornetist, who is a native of Stevens Point, Wis.

Miss Rogers has never been in La Crosse professionally, her former visit having been made as a lodge delegate to a convention of the Rebekahs some years ago. She says she enjoys working in La Crosse, however, as any place in Wisconsin is something like "home, sweet home" to her. Her first lessons on the cornet were given by Del Wright, a musician who was at one time well known in La Crosse.

The show now occupying the boards at the local house will stay today and Sunday, in accordance with the new policy adopted by the management, of changing the bills Monday and Thursday.

### THIEVES' LOOT IS FOUND.

A box of gloves, containing 100 pair and a pair of candy "rats" were found by police in the North side Chicago, Milwaukee & St. Paul yards this morning, and are believed to have been taken from one of the box cars by tramps, who it is thought were scared away by the approach of trainmen. The goods were shipped from the O. C. H. company, Milwaukee, and were assigned to Ruh & Lovejoy, Hastings, Minn.

### Y. W. C. A. VESPER

The Vesper services at the Young Women's Christian Association at four o'clock tomorrow afternoon is to be in charge of the Foreign club, the speaker being Miss Agnes Sparling. Special music is to be rendered by Miss Belle Newsome.

### AVIATOR IS KILLED

BAR LE DUC, France, April 13.—While reconnoitering in a monoplane Lieut. Boncourt lost control of his machine here today and dropped 200 feet to the ground. Boncourt was instantly killed.

### Viroqua Calf Freak On Streets Here

A calf with six legs, two tails and two heads, started and amused a curious crowd about an express wagon in the city streets this morning. The animal belongs to Minshall brothers, farmers near Viroqua, and was born on their farm last fall. It lived several weeks after birth, and was for a time a very lively beast. Aside from its curious deformities the calf was just an ordinary calf, its color, and the shape of its heads, legs and tails being strictly according to the best bovine practice. When seen in La Crosse the animal was stuffed and crated.

## URGE PEACE ON STRIKING MINERS

Union Committee Urges Men to Stand Together and Warns Them Against Violence

PHILADELPHIA, April 13.—A warning against using violence and plea for a united front was addressed to the anthracite miners today by a sub-committee of the United Mine Workers of America representing in the anthracite miners in their negotiations with the operators for higher wages, recognition and better working conditions.

President White of the miners today said that not even one of the nine demands of the anthracite workers had been conceded in whole or in part. He said that the operators and miners, except for a more conciliatory mood were no nearer a settlement of their differences today than they were during the march conferences which led to the suspension order.

Federal Mediation  
WASHINGTON, April 13.—Anticipating a deadlock in the coal strike conference, the house interstate commerce committee is planning to rush through congress an emergency measure, providing federal mediation.

cents was tabled. A resolution by Alderman Frank Kohn freeing the bridge to citizens of La Crosse in the possession of tickets from April 15 to November 15 was passed. A resolution ordering the painting of the bridge this summer was passed.

### Will Oil More Streets

A resolution ordering the buying of oil for the purpose of oiling such of the streets as did not receive such treatment last year was referred to the special street improvement committee. The claim of Amelia Gausch for personal injury damages was disallowed.

Alderman F. J. Roth nominated Henry Niebuhr, Sr., as supervisor of the seventh ward to succeed Louis Rund who has left the city. Niebuhr was elected unanimously.

The board of public works was instructed to purchase an electric volt meter and to prepare estimates of the cost of erecting permanent election booths. Two new horses were ordered for the fire department. The petition of the Bergh Plano company for permission to put a gasoline tank under the boulevard at their place of business was allowed. Several other similar requests were referred to the fire committee. The board of public works was instructed to buy 800 yards of crushed rock for street improvement and to discontinue advertising for bids for street cleaning and sprinkling. A resolution ordering a test of water meters when requested by the owners with the expense to be charged to the owners was passed.

### May Retire Bonds

A recommendation from the health department that the collection of garbage be commenced April 15 was approved.

An ordinance forcing non-resident photographers to procure a license for doing business in the city received its first and second reading. It was referred to the ordinance committee.

Alderman J. F. Bartl introduced a resolution asking for the retirement of \$23,000 worth of school bonds. He followed it by another ordering that the surplus money in the sinking fund shall be used for no other purpose than the retirement of city bonds. Both resolutions were referred to the finance committee.

A mass of further routine business including several street improvements was gone through with after which the council adjourned.

Legal tenders, increase, \$915,000.  
Net deposits, decrease, \$27,109,000.  
Circulation, decrease, \$224,000.  
Total loans, \$2,011,940,000.  
The surplus of the banks is \$8,516,750 as compared with \$32,002,375 last year, and \$11,372,250 two years ago.

(Copyright, 1912, by the New York Evening Post)

NEW YORK, April 13.—On today's stock market prices began with a continuance of yesterday's break and some active stocks lost  $\frac{1}{2}$  to  $\frac{3}{4}$  point. This happened in the first few minutes; then trading grew dull again, until, in the last half hour, recovery set in which carried prices above yesterday's closings. It may have been caused by covering of bear accounts, for even with the Pennsylvania primaries in progress today there was no more assurance that the result would be what the markets fear than that it would be what they hope for. As a possible indirect influence, markets outside of Wall street were most engaged in excited speculation for the rise.

Wheat prices at Chicago engaged in a wild upward whirl, the Max delivery rising four cents a bushel, to a figure nearly 9 cents over last Monday's lowest. On the London stock exchange the violent rise which has been in progress all the week in miscellaneous speculative shares extended today to English railways.

## OROZCO SEEKING AN OPEN BREAK

Repudiates American Consuls in Mexico to Provoke U. S. to Intervention

WASHINGTON, April 13.—The belief that General Orozco, commander of the Mexican rebels, is deliberately attempting to provoke American intervention, is being forced on the state department by confidential dispatches, detailing continued and apparently studied affronts to the United States enacted by the insurgents.

It is believed here that Orozco, his revolt crumbling in the face of Madero's increasing reinforcements, made possible by the United States friendly attitude, has decided that he would rather take chances of personal aggrandizement in an united Mexican war against the United States, than be leader of a forlorn hope against Madero.

It was pointed out today that there has been a significant change in Orozco's attitude toward the United States within two weeks. At that time the rebel leader sent a long telegram protesting the utmost friendship for America.

Today dispatches told that he was refusing to recognize the official status of American consular officials, thus closing the legations as sanctuaries for Americans fleeing from blood thirsty rebels.

## COMMITTEE PICKED TO ORGANIZE S. OF V.

A committee was appointed at the meeting of the members of the G. A. R. and their sons held at the court house last night, to take up the work of organizing the "Sons of Veterans." The state organizer of this organization has been requested to come to La Crosse, and a meeting will be called as soon as it is definitely learned upon what date he will arrive.

It is thought that nearly 100 sons of La Crosse men who fought during the civil war will become members of the new organization, the purpose of which is to relieve the veterans of the work connected with memorial exercises in honor of the dead soldiers.

## LOCAL BRAKEMAN'S LEG IS LAID OPEN

Leo Simonson, 1724 Loomis street, a brakeman on the Burlington road, was cut to the bone on the leg this morning at Stoddard while making adjustments on a Ledgerwood spreader. A wrench he was using flew off and struck him. He was brought back to La Crosse this afternoon and taken to his home. The injury is painful but not dangerous.

## MRS. LA FOLLETTE TO SPEAK FOR HUSBAND

SAN FRANCISCO, Cal., April 13.—When United States Senator La Follette begins his campaign to capture the California delegates to the republican national convention, his wife will take the stump and do some spell-binding.

Thomas K. Rae, president of the California La Follette league, announced yesterday that when the senator is addressing the men voters in the larger cities of the state, Mrs. La Follette will argue her husband's cause at meetings of the newly enfranchised women. Mrs. La Follette is a public speaker of considerable ability, and the La Follette league expects to aid the senator's cause amazingly.

### NO PREVENTED FOUND

WASHINGTON, April 13.—Miss Alice Brooks of New York, will not receive any reward from congress because Captain N. C. Brooks discovered the Midway Islands in 1858. Secretary of the Navy Meyer wrote Representative Needham (Rep., Cal.) that there was no precedent for remunerating the discoverer of territory.

### SOCIETY MAN IMPRISONED

## MAN WITH KNIFE IN WHITE HOUSE

Intruder Forces His Way Past Guards Into Private Portion Looking for Taft

WASHINGTON, April 13.—A man who gave his name as Michael Winter was arrested at the White house today, after he had twice succeeded in forcing his way into the private part of the executive mansion. When searched an ugly looking clasp knife was found in his pocket. It is the first time in history that an unwelcome visitor has succeeded in gaining entrance to the president's home.

The man claimed to be a German subject, and said he had applied unsuccessfully to Count Von Bernstorff, the German ambassador, for a letter of introduction to Taft. When he reached the White house he ran swiftly up the steps, dashed past the doorkeeper and for a moment was lost in the darkness of the hall from the frantically searching ushers.

A few minutes after being ejected the man repeated the performance and was taken into custody.

Sergeant Williams, in charge of the police at the White house, took the man into custody without any trouble, though it required the persuasive arguments of half a dozen police to get him to leave the White house.

Sergeant Williams reported his belief that the man was deranged. He was taken to the first precinct station and later removed to the Washington asylum for observation.

## MASSACRE MUTINEERS

RINGLEADERS BEHEADED AND SHOT BY HUNDREDS TO QUELL REVOLTS IN CHINESE ARMY

SHANGHAI, April 13.—Summary executions of ring leaders have absolutely cowed the mutineers at Nankin, and today the loyal troops are in supreme control. Whole companies of the rebellious soldiery were shot down, and the more notorious were lined up in the open square of the city. While the people watched, four headmen, armed with swords, lopped off heads as fast as they could swing their weapons. The horrifying spectacle pleased the people, many of whom had been victims of the wholesale plundering that has been in progress for several days.

## ANGRY WHEN HEADS OF CAUSE ARE FED

LONDON, April 13.—Stories told by the suffragettes, just discharged from Hollowell prison, of the cruelty of prison attaches in connection with the forcible feeding of the women engaged in the hunger strike have aroused their companions and another violent outbreak is feared. In order to protest against the method of the prison officials a great demonstration was arranged today for Hyde Park. It is the plan of the leaders of the movement to make tomorrow's demonstrations one of the largest in the "history of the cause."

### AFTER GOMPERTS AGAIN

DES MOINES, Iowa, April 13.—Iowa coal miners in convention here today revived the movement to force Samuel Gompers, president of the American Federation of Labor to withdraw from the civic federation, an active similar to the movement which forced John Mitchell from that organization.

### CHILD NOT LOST

CHICAGO, April 13.—While a thousand policemen and detectives were searching the west side for some clue to five year old Adeline Karz, the child was playing in happy ignorance, near her home early today. A policeman found her in company with a half-witted girl who had coaxed her away with promises of candy and moving picture shows.

CEMENT AUTOMATIC SEALING  
BURIAL VAULT

Automatic Sealing Burial Vault, with Lid in Place Showing  
Its Beautiful Lines and Neat General Appearance.

The longer it remains in the ground the better it gets. Absolutely Water Proof, Vermin Proof and Burglar Proof. Graves with a Cement Vault in it can never settle. The wooden rough box, now in use, soon soaks full of water and decays. The steel vault soon corrodes and crumbles in. The jointed cement or brick vault can not be made water proof and are more expensive than our Automatic Sealing Vault—re-enforced with steel.

Why put an expensive, beautiful casket in a wooden box to water soak and decay within a few months, when for a few dollars more you can place it in a Vault that will preserve it perfectly forever?

Ask your undertaker about the Automatic Sealing Vault, and have him demonstrate the Automatic Seal with Small Sample which he has. You will be well pleased with it and surprised at its low cost.

GOOD NEWS  
FROM TEXAS

Advices From Dallas Report Mrs. Webb Entirely Recovered After Prolonged Illness

Dallas, Texas.—"I would advise all women," says Mrs. A. B. Webb, of this place, "who suffer from womanly trouble, to try a bottle of Cardui before letting the trouble go too far.

I was in bed three months, suffering, no one can know how much, except those who were there.

I had a pain in my side, back and head, and could hardly stand to be turned over in bed. I had no appetite, and what I did eat, would not stay on my stomach.

Our family physician advised that I had appendicitis, and afterwards said that I had ovarian trouble.

At last he told me that I would never see another well day until I was operated on.

I was advised by a friend to try a bottle of Cardui, which I did. After taking three doses I was relieved, and could sit up, and after one week all pain and soreness had gone. I have since taken six bottles of Cardui, and am as well as ever.

Thousands of women, who now suffer from the pangs of womanly trouble, could be relieved and benefited, if they would follow Mrs. Webb's example.

Are you of this number?

If so, we urge you to try Cardui. At all druggists.

N. B.—Write to: Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment for Women," sent in plain wrapper, on request.

Mr. and Mrs. Reiser will go to Sherwood, Ore., to reside. Mr. and Mrs. A. M. Laird will occupy the Wagner home opposite the Episcopal church.

A Eugene Ware Visitor

John Gilmore has dug up the following story for the Kansas City Journal, which he says the late Eugene F. Ware used to tell with great glee on every occasion that was suitable:

A young fellow went west and got into a boom town, where he was made president of an electric light company, of a street railway company, of a water works company and a bank. The boom collapsed after a while and the electric lights went out and the water works dried up and at last the bank broke. The depositors who lost gathered one evening, purchased a rope and went to call on the young man. When they made

their presence known he stepped calmly into the veranda and said: "Gentlemen, I haven't got a dollar. You will never get a dollar. The thing left for you is to cut me into little pieces and pass me around." The man's audacity silenced the crowd for a moment and then a thin voice in the rear piped up: "Fellow citizens, in the distribution of this seacock I want his gall."

ECZEMA

Use called Tetter, Salt Rheum, Pruritis, Milk-Crust, Weeping Skin, etc.

ECZEMA CAN BE CURED TO STAY, and when I say cured, I mean just what I say—CURED, and not merely patched up for awhile, to return worse than before. Remember I make this broad statement after putting ten years of my time on this one disease and handling in the mean-time a quarter of a million cases of this dreadful disease. Now, I do not care what all you have used, nor how many doctors have told you that you could not be cured—all I ask is just a chance to show you that I know what I am talking about. If you will write me TODAY, I will send you a FREE TRIAL of my mild, soothing, guaranteed cure that will convince you more in a day than I or anyone else could in a month's time. If you are disgusted and discouraged, I dare you to give me a chance to prove my claim. By writing me to-day you will enjoy more real comfort than you had ever thought this world holds for you. Just try it and you will see I am telling you the truth.

## When You Think

Of the pain which many women experience with every month it makes the gentleness and kindness always associated with womanhood seem to be almost a miracle. While in general no woman rebels against what she regards as a natural necessity there is no woman who would not gladly be free from this recurring period of pain.

**Dr. Pierce's Favorite Prescription makes weak women strong and sick women well, and gives them freedom from pain. It establishes regularity, subdues inflammation, heals ulceration and cures female weakness.**

Sick women are invited to consult Dr. Pierce by letter, free. All correspondence strictly private and sacredly confidential. Write without fear and without fee to World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y.

If you want a book that tells all about women's diseases, and how to cure them at home, send 21 one-cent stamps to Dr. Pierce to pay cost of mailing only, and he will send you a free copy of his great thousand-page illustrated Common Sense Medical Adviser—revised, up-to-date edition, in paper covers. In handsome cloth-binding, 31 stamps.

## DEFENDS RETAILER AGAINST CHARGES

Chicago Grocer Defends Trade from Accusation of Boosting the Cost of Living

The defense of the retailer against charges that he is responsible for the high cost of food has been voiced by a grocer in Chicago. "When the consumer does not order a half dozen times a day," he said, "does not demand trading stamps or coupons, does not expect long time credit and cares nothing for immediate delivery, then the grocer will be able to reduce the cost of living. It's service that costs. Since the inception of our merchants' bargain ads campaign, the daily papers have also seemingly become less prejudiced in favor of the loop stores. Our advertising of daily bargains has already brought the attention of the buying public to the stores in the outlying districts. The papers are showing an interest in the real cause of the high cost of living, and seem less inclined to blame the retailer than formerly, or to accept articles on the subject from ill-informed sources." The retailers are accusing mail order and installment concerns of devising devious ways for getting credit ratings on their customers. One said: "Scarcely to day passes that we are not asked to identify some credit-rating concern, a publishing house, an insurance society or similar institution which really is the credit bureau for a mail order house. It has become an interesting study to determine from just what quarter the next attack will come. Mail order installment houses require credit reports upon their prospective customers. Formerly they got this information on application. Merchants now have become better informed and refuse to give the information unless they know to whom it goes. When it becomes necessary for a mail order house to resort to an alleged book publishing concern, or an 'insurance' association to obtain such credit information, it becomes morally guilty of getting it under false pretenses.

## DON'T SCOLD AN IRRITABLE CHILD

If tongue is coated, stomach sour, breath feverish, give "Syrup of Figs" to clean the Bowels

Your child isn't naturally cross, irritable and peevish, Mother! Examine the tongue: if coated, it means the little ones stomach is disordered, liver inactive and its thirty feet of bowel clogged with foul, decaying waste.

Every mother realizes after giving delicious "Syrup of Figs" that this is the ideal laxative and physic for children. Nothing else regulates the little one's tender stomach, liver and bowels so effectually, besides they derive love's delightful fig taste.

For constipated bowels, sluggish liver, biliousness, or sour, disordered stomach, feverishness, diarrhoea, sore throat, bad breath or to break a cold, give one-half to a teaspoonful of "Syrup of Figs," and in a few hours all the clogged up waste, sour bile, undigested food and constipated matter will gently move on and out of the system without griping or nausea, and you will surely have a well, happy and smiling child again shortly.

With Syrup of Figs you are not drugging your children, being composed entirely of luscious figs, senna and aromatics it cannot be harmful.

Full directions for children of all ages and for grown-ups plainly printed on the package.

Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna," prepared by the California Fig Syrup Co. This is the delicious, genuine, old reliable. Refuse anything else offered.

BANK WRECKER COLLAPSES

NEW BERLIN, N. Y., April 13.—That Frank T. Arnold, former cashier of the First National bank of this village, alleged to be a defaulter to the extent of \$250,000, may never live to stand trial, was the declaration today of physicians attending him. He has been in a state of total collapse ever since the discovery that the bank's affairs were involved and the doctors say that the chances of his recovery are not good.

Almost a Miracle

One of the most startling changes ever seen in any man, according to W. B. Holsclaw, Clarendon, Texas, was effected years ago in his brother. "He had such a dreadful cough," he writes, "that all our family thought he was going into consumption, but he began to use Dr. King's New Discovery, and was completely cured by ten bottles. Now he is sound and well and weighs 218 pounds. For many years our family has used this wonderful remedy for Coughs and Colds with excellent results."

It's quick, safe, reliable and guaranteed. Price 50 cents and \$1.00. Trial bottle free at O. T. Erhart's.

## PAINTS GLOOMY CHILD PICTURE

German Book Reviewer Sees Menace in Increasing Child Mortality of Fatherland

BERLIN, April 13.—Dwelling upon the tremendous infant mortality in Germany, Erich Schlaikjer, in reviewing the new book "The Proletarian Child," by Albert Langhien, gives some startling figures and paints a gloomy picture of Germany. He says:

"The Children of Poverty hunger before they are born. They come into the world ill-developed, weaker than the children of plenty and with such low resistant powers that infant mortality rages in their ranks like an epidemic. The blind, the crippled are principally recruited from their ranks and they are the particular victims of scrofula and tuberculosis.

"Even the ministry of the interior admits that this is due to lack of nourishment and lack of care of the new born—inevitable results of woman's labor on the farms and industrial employment. In the kingdom of Saxony, where women labor as no where else in Germany, 18.8 per cent of the new born die. In all Germany 17.7 per cent. That is the average, but in Langenbeilau 54 per cent of the infants died. The average for Berlin is 18.1 per cent. If anything is necessary to show the handicap under which the child of poverty comes into the world, the statistics show that in the Tiergarten section, the wealthy residential part of Berlin 5.2 per cent infants died as against 42 per cent in Wedding, the proletarian quarter of the city."

## NEWS OF THE SPORT WORLD

### HIGHS PLAY AT BANGOR TODAY

Locals Open Baseball Season Away from Home, but a Victory Is Expected

The high school baseball team opened the season this afternoon by meeting the Bangor high school team. Not much is known of the ability of the Bangor team but they promise to give the local boys a hard game, so they hope to win.

The high school boys have been practicing for the past two weeks and they are in good shape for a game. Professor Elliott has been coaching the squad and has picked a good team out of the large number of candidates who have reported daily for practice. There are many good men who are not being taken on this trip but they will be taken on other trips which are soon to come.

The lineup for the first game of the season which promises to be the best in the history of the school, is as follows:

Catcher, Spellum; pitcher, Fox; first base, Weiss; second base, Frisch; shortstop, Renner or Stavrum; third base, Wiebrecht; left field, Jungbluth; center field, Krause; right field, Peterson.

Manager Peterson and Captain Fox predict a victory by a good substantial score but the coach is not so sure of his players' ability and will say nothing. A number of students will accompany the team and root for them.

There will not be a reception after the game as was first announced as most of the players wish to get back to the city to attend the annual Easter ball of the High School Boys' Athletic association which will be held tonight in the Masonic temple.

#### Literary League

The literary baseball league of the high school, made up of the faculty, Lit club, Lincoln Douglas and Wendell Phillips teams is nearly ready to open another interesting season of the national pastime. In the past this league has been a decided success and there is no reason why it should not be as successful this year with the wealth of material in each of these organizations. The faculty has a number of former college stars in its midst and with Coach Carter to take the place left vacant by Wilce they ought to have a team that will clean up even the regular high school team. The Lit club is made up of fellows who are all interested in athletics and ought to be able to secure a team out of its membership that would be able to show up anything in the league. The debating societies have always turned out good teams and with the new members they have taken in this year they ought to get out teams that will make the others stand up and take notice.

Captains of the different teams will be elected in the near future and a meeting of these leaders will be called to elect a president and to draw up a schedule. When the league was formed two years ago a banner was bought but the pennant was never given but the winning team, The Lincoln Douglas won the banner last year and although it was never given to them they are willing to give the other teams a chance at it this year.

A league like this one offers a great deal of sport if it is run right, so it is up to the captains to elect a president who will make the season a successful one.

Nearly every college graduate starts out to set the world on fire, but it seldom causes the insurance people to sit up and take notice.

**Brooklyn 4, New York 2**  
BROOKLYN, April 13.—The Dodgers turned the tables on the Giants yesterday, beating them to a finish, which came in the eighth inning owing to darkness, by a score of 4 to 2. All of Brooklyn's meager stick work was crowded into the third inning. Score: R H E Philadelphia .010000001—2 5 2 Boston .00020002x—4 8 1 Batteries: Brennan, Killifer and Graham; Tyler and Kling.

**Cincinnati 3, Chicago 2**  
CINCINNATI, April 13.—The Reds beat the Cubs again yesterday, 3 to 2, in a hot ten-innings battle. The Cubs scored the first run in the fourth and the Reds tied it in the same round. In the sixth Chicago put over another tally and the locals again evened the count in their half. Benton scored the winning run for the Reds on Hobbs' single over second base. Score: R H E Cincinnati .0001010000—3 8 2 Chicago .0001010000—2 8 2 Batteries: McIntyre and Archer; Benton and McLean.

### ARRANGEMENTS ARE MADE FOR GROUNDS

At a meeting of the directors of the baseball association Thursday evening, President John Miller, Frank E. Sisson and William Torrance were appointed a committee to make arrangements for repairing League park grandstand which was damaged by a tornado last year. The repairs on the stands will be made as soon as possible in order to be ready for the opening of the baseball season.

The directors appointed J. E. Dahlgren official scorer for the season. Joe Poehling will be ground keeper this year, Pete Ewald was given the position of cushion boy, and John Diamond will have charge of the turnstiles. The diamond and right field will be given a coat of oil as a test to determine whether this will put the field in the best of condition for the opening of the season.

### STAGG RIDICULES BIG EIGHT PLAN

CHICAGO, April 13.—A. A. Stagg, athletic director of Chicago university and "The Walter Camp of the west," after one day back at his post at the Midway school today declared that the proposition that the "Big Eight" conference make its own football rules and otherwise legislate on college sports is ridiculous.

### RECRUIT WINS FOR WHITE SOX

Chink Mattick Makes Winning Run for Hose After Poling Out a Double

#### AMERICAN LEAGUE

**Chicago, 2; St. Louis, 1**  
CHICAGO, April 13.—Chink Mattick made his first hit in the American league yesterday, but it made up for his previous failures at the bat. The Sox recruit poled a double in the tenth inning and scored a moment later on a single by Block. This run proved enough to beat the Browns. 2 to 1. Score: R H E St. Louis .0100000000—1 10 1 Chicago .0000001001—2 7 3 Batteries: Powell and Krichell; Scott and Block.

**Cleveland, 4; Detroit, 2**  
CLEVELAND, April 13.—The Naps hung it on the Tigers again yesterday, 4 to 2. Baskette's pitching, backed by good fielding and timely hitting by the Naps, worked Detroit's undoing. Lajoie's single in the eighth with men on second and third broke up the game. Score: R H E Detroit .000010001—2 6 4 Cleveland .000100102x—4 7 1 Batteries: Willets and Stange; Baskette and Easterly.

**Boston, 5; New York, 2**  
NEW YORK, April 13.—Incessant pounding of Ford in eight innings and some hard wallpops at Warhop in his one inning of work gave the Red Sox an easy victory over the Yankees yesterday by the score of 5 to 2. Score: R H E New York .000000020—5 10 2 Boston .0000000100—2 6 2 Batteries: O'Brien and Carrigan; Ford, Warhop and Street.

**Philadelphia, 3; Washington, 1**  
PHILADELPHIA, April 13.—Cy Morgan's wonderful pitching enabled the Athletics to make it two straight wins from Washington yesterday. Morgan held the Senators to one scratch hit, made by Moeller in the fourth inning, and fanned eleven men. The Washington side was retired on strikes in both the fifth and eighth innings. Score: R H E Washington .000100000—1 1 2 Philadelphia .000300000x—3 7 0 Batteries: Walker, Henry and Williams; Morgan and Thomas.

### DULUTH FAILS TO PURCHASE RELEASE

Although dispatches from Duluth are to the effect that W. J. Sommer, president of the Superior club, said that he was going to send President Elliott a check for the release of that team from the Minny league, and that Duluth was also going to purchase their release from the league, Mr. Elliott has not yet received the money. Up to late this afternoon President Elliott had received no word whatever from the northern cities and no check has been seen here.

The ten days' time allowed the two clubs by the league directors to pay their indebtedness and purchase their releases will be up Monday and the checks will have to be here by that time.

### BUES RELEASED BY NEW YORK GIANTS

NEW YORK, April 13.—Three Giants have been released to the Buffalo club of the International league according to an announcement here today. They are Third Baseman Arthur Bues, formerly of the Seattle club; Shortstop Milton Stock, who was purchased from the Fond du Lac team of the Wisconsin-Illinois league, and Pitcher Ed Munzel, last year with the Dallas, Texas, league team. Bues led the country in home runs last season, getting 27 to his credit.

### WATCHING THE SCOREBOARD

With but two exceptions, the teams that won the opening game won the second effort. Brooklyn beat New York and the Pittsburgh-St. Louis game was called off on account of rain.

That bunch of hitters in the Cleveland-Detroit battle failed to show form. Jackson got two hits, Lajoie one, and the famous George Peach failed to land a single.

The four o'clock opening hour for baseball games makes the New York fans angry. It was long after six o'clock when the Yankee-Red Sox game ended and darkness stopped the Giants and Dodgers.

One of Russell Ford's spitballs slipped out of the groove and banged "Big Bill" Carey on the dome.

A measly single was all the Senators could garner from Morgan in tossing a 3 to 1 game to the Athletics.

Scott and Powell conducted a fine little battle on the side in the Chicago-St. Louis entertainment, but Powell weakened in the tenth.

Once more the Reds went after the Cubs and kicked them around somewhat. But it took ten innings to do it.

Oh, you Ty Cobb! That Jackson person is doing things. Look at this for the first two games: Cobb, at bat 7; hits, 9; Jackson at bat 9; hits 5.

### W. B. U. TO PLAY THE AGGIES TODAY

The W. B. U. baseball team will open its season this afternoon when they will meet the Agricultural school nine at Onalaska in a game which promises to be fast and interesting. The locals have one of the strongest teams that has ever represented the W. B. U. and they are confident that they can defeat the Aggies although they will be playing on the Aggies' diamond.

Although the regular team has not as yet been picked as there are many candidates trying out for each position, a strong lineup is to be presented in the first game today. The players have been practicing every day and all are in good condition for the opening game of the season. The new uniforms for the W. B. U. team have arrived and will be donned for the first time today. A series of practice games will be scheduled with the normal school nine soon.

### MILLER-LITTLE GO NOW ASSUED FACT

Both Jack Little and Walter Miller have posted their forfeit money that they will appear here four days before their match which will be held at the Majestic Theater on Friday, April 26, and it is now certain that one of the best wrestling matches of the season will be held here this month. Both the principals have agreed to arrive in La Crosse four days before the bout is held and to remain here during those four days and if they fail to do this they will lose their forfeit money.

Both Miller and Little are looking forward to the match eagerly as both want to meet again in a finish bout. These men are evenly matched and there is no doubt but that the victor will have a difficult task in defeating his opponent. Miller has entirely recovered from his recent injury to his shoulder and he will be in the best of condition for the big bout. Little is also in good shape for he has been working out daily and he will be ready to put up a great battle when he meets the champion here April 26.

### HARVARD VS. JOHNS

BALTIMORE, Md., April 13.—The Harvard and Johns University nines will play here this afternoon. This game opens the Cambridge boys southern trip.

The upstart often finishes on the downgrade.

### MIQUE MALLOY GETS BANTAM BILLY WAIS

Billy Wais, the local boy who established a great record as a backstop for the Outcasts last season, leaves this evening for Chicago where he will start training with Mike Malloy's Wausau club of the Wisconsin-Illinois league. Together with Kelly, first baseman, Billy was sold to the Lumberjacks during the winter and he will try out with that club this spring. The baseball season in the Wisconsin-Illinois league opens May 1 and all the local fans expect Wais to be the mainstay of the catching department at Wausau as he showed a great deal of ability behind the bat for the Outcasts during 1911, his first season in professional baseball. Manager Malloy will train his club at Chicago this year.

### MIDDIES TO SCRAP

LOS ANGELES, April 13.—Howard Morrow, the middleweight world beater, discovered and tutored by Tommy Ryan, is ready for his first real tryout in fast company. He meets Bert Fagan of San Francisco in the Vernon arena, in a twenty round battle, this afternoon. The winner has been assured a match with Eddie McGoorty for the middleweight title.

Oh, you Ty Cobb! That Jackson person is doing things. Look at this for the first two games: Cobb, at bat 7; hits, 9; Jackson at bat 9; hits 5.

### FAN-ATICAL FANCIES

Former Minny leaguers were much in evidence in the opening games in the American Association Wednesday. Daus, who last year pitched in this circuit, went on the slab for St. Paul after Eddie Karger had been scored on six times in two innings, and held Indianapolis scoreless for eight innings, the Saints finally winning out 7 to 6 in ten frames. Chappelle, of Eau Claire, played left field for Milwaukee and starred, while Dolan, also a former star in this circuit, went in as a pinch hitter for the Brewers and knocked out a timely three bagger.

Carl Bond, manager of the Outcasts, intends playing this year as well as acting as leader of the team. Bond's ability as an infielder is well known to the fans of La Crosse and his presence on the field will doubtless help to keep the team in the race for the pennant.

Arthur Devlin, third baseman of the Giants who was for many years considered one of the best third sackers in the game, has been released by McGraw to Boston. Devlin was a sub almost all of last year, Herzog being the regular in this position.

## Beer and Youth

Good beer is a beverage that may be offered young people with as much justification as any so-called temperance drink.

## Old Style Lager

is good beer and the low percentage of alcohol purposely maintained in its making is helpful to the system—a royal brew from nature's most wholesome grain and hops fresh from the sun-kissed harvest fields of Europe and America—unquestionably good and healthful for young and old.

Demand Old Style Lager  
—don't accept an ordinary beer—that costs you just as much.
